So grab your straw hat and get ready for adventure with *One Piece*!

WOMEN IN COMICS MONTH 2024

This issue of **PREVIEWS** celebrates the many women who work within the comics industry and community, whether it is behind-the-scenes as publishers, editors, marketing, design or translation, or in the creative spotlight as writers and artists. Throughout this issue you'll find our "Women in Comics" icon pointing out a deserving title featuring female creators. Beginning on page 210 of this issue, you'll find a selection of recommended *Women in Comics* titles available this month.

FERAL #1

Image Comics

A new horror from the creators of *Stray Dogs*, Tony Fleecs and Trish Forstner! Meet Elsie, Lord Fluffy Britches, and Patch, three indoor cats lost in the not-so-great outdoors during a nightmarish rabies outbreak. Without their humans to protect them, the cats rush to find their way home before they're eaten by the forest full of rabid beasts on their tails. Don't get bit. Don't get scratched. Don't become... *Feral*.

WELCOME TO VOLUME XXXIV!

2024 is here, and so's the first issue of **PREVIEWS** for the New Year! Volume 34 begins, and the first issue of the new volume looks, on the outside, pretty much like every issue we've published since 2013! Yes, every issue was different, with different cover features and art, but the overall design has remained unchanged for over a decade now! What *does* change monthly is the wealth of cool items we stuff into every issue. We've served up the best in comics, graphic novels, toys, games and pop-culture merchandise in this super-sized format for 36 years. And we're not letting up!

Speaking of changes, I will admit to one change beginning this month, with the great folks at TITAN COMICS joining the PREMIER section of our catalog up front with BOOM!, Dynamite and others. The folks that bring us *Doctor Who*, the excellent new *Conan the Barbarian* series, and so much more, have deservedly taken their place up front in **PREVIEWS**, and I wanted to congratulate them on the upgrade! Keep up the good work!

Also in this issue, we're once again celebrating the **WOMEN IN COMICS** theme, spotlighting the unequalled contributions that women have brought to the comics field. Women today make up a much greater percentage of the creative talents working in the comics industry, and whether it be editing, writing, drawing, painting, lettering, marketing... women are now a major power within the comics industry, and I'd say we're better off because of it. To help you dive into what's available, we've selected some choice titles starting on page 210 of this issue, and also throughout the issue marked with our "Women in Comics" icon, to show you related titles.

Finally, don't forget that we unveiled **FREE COMIC BOOK DAY 2024** Gold and Silver titles last issue, along with the Commemorative Artist T-Shirt by Strangers in Paradise creator, Terry Moore! It's a great design featuring Katchoo and Francine enjoying some comics, and it's available as a T-Shirt, as well as a poster and sticker! Turn to page 31 of this issue to check out all of the FCBD24 fun!

That's all for now. I'll see you next month for the FEB24 issue of **PREVIEWS**, and an update on my comic book!

Your Pal @ **PREVIEWS**,

Marty

Hake's Premier Auction Soars to \$2.4 Million

Hake's Auction's fall 2023 premier auction of pop culture and Americana memorabilia saw a total of \$2.4 million in sales. The auction's top spot went to the 1936 Wolverine Gum "Strange True Stories" complete gum card set, featuring "The Bat Man" card, which sold for an incredible \$64,905 – more than triple its estimate.

with sketch by Kevin Eastman (first printing) cleared \$31,152. Additional high sellers were a Captain Marvel play cape that sold for \$28,556, the Martin Luther King-signed program from his final Sunday sermon (and perhaps his final autograph) realized \$28,556, and a *Star Wars* Early Bird Mailer Kit featuring the first action figures AFA 85 NM+ hammered for \$25,570.

The *Action Comics* #588 cover by John Byrne flew to \$35,695 and *Teenage Mutant Ninja Turtles* #1 CGC 9.2 Signature Series

Film & TV Memorabilia Realizes \$11.4M at Propstore

Propstore's Entertainment Memorabilia Auction in November 2023 achieved \$11,429,418 in sales on just the first day. Anthony Daniels' screen-matched light-up C-3PO head from *Star Wars: A New Hope* led the auction when it sold for \$838,750. Similar impressive results were *A New Hope* screen-matched hero TIE Fighter pilot helmet for \$655,750 and Indiana Jones' bullwhip from *Temple of Doom* for \$350,750.

Top sales included Robert McGinnis' hand-painted *Thunderball* poster art for \$335,500, *Aliens* light-up remote controlled photo-matched 1/12th scale APC model miniature and production materials for \$228,750, Maximus Decimus Meridius' arena armor from *Gladiator* for \$183,000, M's red telephone from various James Bond movies for \$183,000, and Angel Eyes' hat from *The Good, the Bad and the Ugly* for \$167,750.

The Many First Appearances of Jimmy Olsen

While most comic characters have a definitive debut, the *Daily Planet's* loyal photographer and reporter Jimmy Olsen has multiple first appearances. Early in Superman's tenure, an unnamed office boy appeared in *Action Comics* #6 (November 1938), who was retroactively considered to be Jimmy.

Two years later in April 1940, producer Bob Maxwell introduced Jimmy Olsen (voiced by Jackie Kelk) by name in the radio program, *The Adventures of Superman*. After more appearances as the unnamed office boy, Superman's creators Jerry Siegel and Joe Shuster officially introduced Jimmy Olsen to comics in *Superman* #13 (November-December 1941). His expanded role in Superman titles led to Jimmy getting his own comic series, *Superman's Pal Jimmy Olsen*, in 1954.

- **Silver Vessels** (See Page 348)
- **Rainbow Bridge** (JUN211194)
- **Kill A Man** (AUG201081)

Please tell us a bit about yourself!

Me? Over the years, I've done just about everything one could do in the industry. I've worked at my local store outside Syracuse, I've edited, I've penciled, inked, and lettered a full-length graphic novel while in college, before moving into the big one — writing. But that's par for the course when I see something I haven't done before, or a part of the industry left to explore, I leap in. And that's what brought us *Silver Vessels*, in fact! A challenge from Mad Cave to build a young adult adventure for their Maverick imprint, something I'd never done before. Having worked middle grade (and gotten an Eisner nomination for it), *Silver Vessels* is the first young adult book I've been part of. And hunting new firsts, to me, is what keeps this business great.

What are your favorite projects you've contributed to over the past decade?

I hinted at it above — but *Rainbow Bridge* (JUN211194) needs to be on this list. Not only did it bring me together with one of my favorite collaborators once again, but it forced me to rethink my storytelling style for the middle grade range. But that's not all — I will go to my grave incredibly proud of books like *Kill A Man* (AUG201081), books like *Martian Manhunter* (my favorite work while at DC), *Midnighter* (the book that got me into full-time writing work), books like *Scarlet Witch* (By Steve Orlando Vol. 2: *Magnum Opus* / OCT230911) and *Spider-Man 2099* (*Dark Genesis* / MAY230991) (pinch me moments both as a creator and fan), and of course *Feeding Dangerously* (SEP232021), a five-year project with my friend, the chef and humanitarian, Jose Andres — a documentary graphic novel that brought me to Panama City in the wake of Hurricane Michael, where I got my hands in the dirt and helped feed people in the wake of a catastrophic natural disaster.

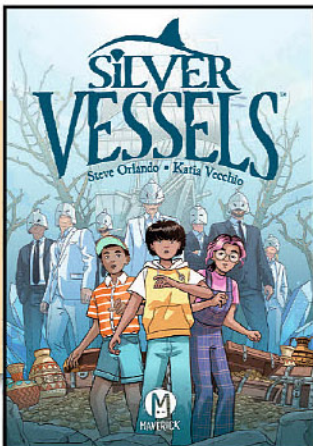

What are you currently working on?

Working on a lot! In this game, we've always got to be hustling — there's more *Spider-Man 2099* coming, there's more *Scarlet Witch* coming from Marvel, and the long awaited collection of *Bulls of Beacon Hill* (JUL230869)

just hit from Aftershock! Following the notion of always working in surprising places, I've got a *Grumpy Cat* (*The Grampus and Other Horrible Holiday Tales* / JUN231267) hitting from Ablaze for the holidays. *Feeding Dangerously* hitting after half a decade of work. But most of all? I've been in the trenches with my friends at Mad Cave — not just with our Maverick young adult debut *Silver Vessels*, but with the supernatural action epic *Exorcists Never Die* (SEP231851) and, of course, as announced in October — *Gatchaman*! Both of these are projects we've been working on for a while — *Silver Vessels* is a huge, gorgeous book about teenage adventure and discovery, over a year in the making. And *Gatchaman*? It's been long brewing — and I have to say, working on a property as foundational, as influential as this has really lit a whole new kind of fire under me. I can't wait for folks to see it!

What fun titles are you reading?

They came from all over! I've been slowly reading the adaptation of *Metal Gear Solid 2: Sons of Liberty*, I'm real big on *Beyond Real* (#1A / AUG232322) from Vault. I love *Crusader* (#1A / JUL231792), which Matt Emmons (an artistic savant in the spirit of David Petersen) is working on with Mad Cave, as well as their *The Devil That Wears My Face* (#1A / AUG232066) (like *The Exorcist* meets *Face-Off*). I also love *Chef's Kiss* (Vol. 1 / NOV211574) from Oni, and the recent *All Eight Eyes* (JUL231129) from Dark Horse.

USER'S GUIDE

There's a lot of awesome comics and products to look through in **PREVIEWS**. "A lot" might be a bit of an understatement, as each month's catalog is filled with hundreds and hundreds of pages of upcoming comics and related merchandise! It can be easy to accidentally overlook a new series you've been dying to read or a figure you've been pining to add to your shelf when there's so many things to browse. That's why we've put together this guide to help you learn how to use **PREVIEWS** like a pro to order the awesome titles and products you want!

WHAT EXACTLY IS PREVIEWS?

PREVIEWS is part catalog, part magazine (we call it a *Mag-a-log!*) of monthly listings of all of the upcoming comic titles and related products from your favorite publishers and manufacturers in one convenient place. And don't worry—**PREVIEWS** is organized by publisher and product type (and color-coded to boot!), to make it easy to find and flip to the section or items you're looking for. Each item listing has the information you need, such as format, size, page count, price, release date, stock or item code, and descriptive text, and nearly every listing is accompanied by artwork or images.

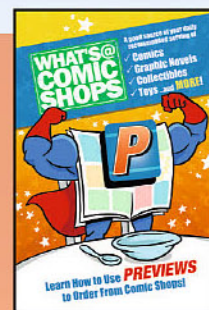

The most important aspect of **PREVIEWS** to remember is that items solicited in the catalog are anticipated to ship 2-3 months later (or more). For example, if you found a comic you wanted in the May issue of **PREVIEWS**, you can expect to see

it turn up in your local comic shop in July. The catalog can be a great resource for figuring out where your favorite comic series is going, or for discovering new ones that you'll want to add to your library—not to mention all the other awesome products!

HOW DO I ORDER FROM PREVIEWS?

When you've picked out all of the items you want, you can fill out the **Short Order Form** included in your copy of **PREVIEWS** and submit it to your local comic shop. You can also ask your friendly neighborhood retailer about obtaining a **Customer Order Form**, a booklet that contains a complete listing of all the items made available for that month. These forms make pre-ordering your comics and products a breeze and can help your local comic shop decide what to stock in the store for other customers, too! Be sure to also ask

your retailer about their **pullbox or subscription service**. Once you've submitted your order, you can sit back and relax, or try to contain your excitement until your comics and merchandise arrive!

This month, Titan Comics celebrates becoming one of Diamond Previews' Premier Publishers. Since the imprint launched in 2013, the UK publisher has become an industry leader in licensed comics, and has published a range of exciting original graphic novels and manga titles.

We chatted to the co-owners of Titan Comics and Titan Entertainment Group, **Vivian Cheung** and **Nick Landau** about their time in the industry and some of Titan's hottest titles.

Photo © Francesca Rudon

VIVIAN CHEUNG AND NICK LANDAU TITAN COMICS

Titan Comics began publishing its own series in 2013. What motivated you both to start up a comic imprint within your company, Titan Entertainment?

NL: We've always been in comics. I started working in the industry about 55 years ago, beginning with a magazine called Comic Media. Titan Books started in 1981 and we started another publishing company called Eagle Comics a few years later. Then, Titan Books was publishing graphic novels, and then Titan Comics came along.

So, in many ways, we've never not published comics. But the brand of Titan Comics is what we're currently celebrating.

VC: I think initially, Titan Books could do it all. But after a while, it came to a point that in the whole trade market, people would look for specifics within imprints. So, it was time to turn it into Titan Comics and spotlight the single issues, manga, and graphic novels we were doing.

We thought we needed to compartmentalize it a lot more or risk losing the graphic novel identity within a range of illustrated books. It makes it easier for people to look for the things we're well-known for in comics. The stuff with cult fandoms, such as *BLOODBORNE*.

What have been the highlights for you over the past 10 years at Titan Comics?

NL: I think what's really excited us has been watching how Titan Comics has built over the last 10 years and how

we've become a large player in licensed publishing. And we are now doing more and more creator-owned titles, which is very exciting. When looking for creator-owned titles, we have learned to expect the unexpected. Another big highlight is the developments of TITAN MANGA, and our young adult imprint, TITAN NOVA. We are continuing to work on imprints like STATIX, which have brought forward the European market, and our HARD CASE CRIME imprint, which has been a tremendous success. It has produced titles like *GUN HONEY*, which was the number-one independent comic book of the year in 2021.

I think it has ultimately been very exciting to see us develop from a couple of projects to the wide and diverse range that we have today, which has given us the opportunity to be a premier publisher under Diamond.

This month's listings at Titan Comics include *DON COPPOLA*, by French creator Amazing Ameziane. Titan has published many gripping and engaging translated works over the years. How do you find the best that international comics have to offer?

NL: Titan Comics and Books has worked on a huge range of French, Italian, German, Japanese publishers. We used to journey far and wide to many trade shows all over the world to find great creators. Today, it's much easier to find international talent because of the internet. Now, like everyone, we have the world at our fingertips.

VC: We've progressed. We used to reprint a lot of manga, but we've started publishing our own creator-owned work in this area. ELDO YOSHIMIZU has published some beautiful manga books with Titan Manga, including *HEN KAI PAN*. So, it's an evolution. I count us lucky. There's skill involved, but also luck.

In 2024, Titan Comics will be publishing *DOCTOR WHO: THE FIFTEENTH DOCTOR*, with the series kicking off with a special Free Comic Book Day issue. Why do you think Titan is such a great home for Doctor Who comics?

VC: I think we're in quite a unique place now. David Tennant is in the role again as the Fourteenth Doctor, and we have a new Fifteenth Doctor coming along. Culturally, the world has changed a lot. And Titan Comics has a special opportunity to help bring that into *Doctor Who* comics while sticking to the franchise's sci-fi roots. The Doctor represents pure adventure, and it is a lot of fun to explore that.

Where would you both like to see Titan Comics in another 10 years?

VC: Being respected for bringing good quality comics and art to the market. I still love printing comics for games licenses, and I think we could add a much bigger dimension to the market in that area. Comics have the potential to change the way people game and it would be interesting to explore that more.

The popular Webtoon Original finally
arrives to print!

Lance never wanted to be a Nomad, but on his 19th birthday, he leaves his homeland in the Sea Kingdom behind while searching for his brother in the Sky Kingdom. However, things take an unexpected turn when he meets the mysterious Satra and the magical cat Saber who imbues Lance with supernatural powers. When the two decide to join Lance, it ignites a series of misunderstandings that will chase them throughout the kingdoms, branding Lance as a kidnapper, with bounty hunters competing for their capture.

Together, the trio will face unexpected foes, mysterious new creatures, and their own deep secrets as they search for Lance's missing brother and, perhaps, company to call home.

Across the vast Multiverse, those gifted with a “spark” can tap into the raw power of Magic and travel across realms. They are Planeswalkers, and in Ravnica, they are hunted. Three Planeswalkers from rival guilds--Ral Zarek, Vraska, and Kaya--together investigate a series of assassination attempts that left Jace Beleren, the famous mind mage, in peril.

They soon learn that the assassins came from a cult with members from all of Ravnica's guilds. A cult that worships the ancient, incomprehensibly powerful being Marit Lage, whose physical manifestation is hurtling toward the city in a frozen comet. The influence of Marit Lage upon her followers tends in one direction: toward obsessive worship, and endless death as tribute. The Planeswalkers' investigation becomes a battle: to rid Ravnica of the influence of the Cult of Marit Lage, and to save their world and every other world in the Multiverse from her maddening power. It will take more than three Planeswalkers working together, and one Planeswalker's ultimate sacrifice.

Collected for the first time in a value-priced softcover edition are the first two groundbreaking story arcs by bestselling acclaimed writer **Jed MacKay** (*Moon Knight*, *Avengers*), and artist **Ig Guara** (*Silk*), as well as an issue by guest artist **French Carlomagno** (*The Dead Lucky*, *Mighty Morphin Power Rangers*).

Queen Maleficent rules the Forbidden Woods, a mysterious land shrouded in darkness, evil, and all things that go *bump* in the night. Countless kings have come from far and wide to try and vanquish this realm where the Forbidden Mountain stands, making an enemy of its dark queen. But Maleficent is not the unloving monster some would make her out to be. In fact, she cherishes her kingdom and embraces her responsibilities to it. But instead of being given the chance to coexist, she and her shadowy domain have been misunderstood and shunned, and outsiders would see the Forbidden Woods conquered and her reign overthrown. Maleficent grows all the more powerful defeating those who dare to challenge her and her minions.

Featuring cover art by the renowned JAE LEE, this new collection of the five-issue series by acclaimed author and artist SOO LEE features five stand-alone tales of Maleficent facing the trials and tribulations of her unique position, and is being offered in two special editions.

THE VINEYARD is a family-owned winery that sows and reaps by the blessing of the great god of wine and revelry, Dionysus. However, the Vines family's patron god requires complete devotion in the form of four sacrificial killings a year before each harvest. This has been done in unfettered obeisance. But all of that changed when the family's patriarch, Didache Vines, was in a horrible accident that left him paralyzed and in a wheelchair.

Now, the sacrificial and murderous duties of the Vines family have fallen to wife and matriarch, Maranatha Vines. With harvest season fast approaching and the family short of their annual sacrificial killings, Maranatha's struggle with her conscience puts all of her family - husband, son and daughter - in jeopardy.

Written by Brian Hawkins (*Black Cotton*, *Believe in the Name*, *Don't Ever Blink*) and illustrated by Sami Kivelä (*THE HEATHENS*, *UNDONE BY BLOOD*, *Abbott*), THE VINEYARD is what happens when family values and otherworldly obligations collide.

During the Fourth War of the Sun, a small dog named DOGGY experienced an irreparable trauma: his mother was brutally murdered, and his eight siblings, still puppies, were kidnapped by a mysterious man. To save them, Doggy fought bravely against the terrible killer, but all his efforts were in vain, and he was left for dead. What nobody imagined was that a technological culture scavenging the region for corpses would be the one to rescue the dying dog from death's scythe.

Now, Doggy has become Samurai Doggy, and his only goal is to quench his thirst for revenge.

Written by Chris Tex (*BlackOut*) and illustrated by Santtos (*LAND OF THE LIVING GODS*, *BlackOut*, *Night Shift*), *SAMURAI DOGGY* is a story of loss, revenge and the journey to defeat the greatest empire of machines and robots that has ever existed.

COMIC | 32 PAGES | COLOR | MATURE (16 AND UP) | NOIR, CRIME | \$3.99

In the 1930s, Lucas Torelli, known as "Torpedo", was a legend of the suburbs of New York. A tough, trigger-happy Sicilian who only knew how to make friends—anyone else is no longer here to say otherwise. Nearly forty years later, the Big Apple has changed quite a bit. Torpedo, not so much. As a persistent journalist prepares to write an article about the Caputo family, the demons of Torpedo's past resurface, along with his dirty old habits...

TORPEDO!

INTERVIEW WITH ENRIQUE SÁNCHEZ ABULÍ

Torpedo 1972 continues the story of Luca Torelli, now in typical post-retirement age. Do you have any particular reasoning for wanting to pick up his story at this point? Is there any new perspective you hope to offer or avenue you're keen to explore?

After writing 15 volumes of *Torpedo 1936*, I told myself that it might be good to write one of *Torpedo 1972*; that is, old Torpedo. It was, so to speak, an experiment, because my intention was to do just one. But once it was done, I asked myself: Why not continue telling Torpedo's adventures in his old age? And since by then I had also gotten old, it seemed very appropriate, and that's where I am.

How would you describe Luca Torelli as a character? Do you consider him a man with redeeming qualities? Is there any deeper reflection of society or human nature in his brutality? Or do gangsters just make cool main characters?

The first thing to say is that Torpedo has several facets: he is a hitman, a thug, a criminal professional, and a gangster if he intervenes and a bank comes within his reach. Unfortunately, his case is not unique. There are many torpedoes circulating around the world and none of them are exactly good.

The original *Torpedo* series became a world-famous work. What is the biggest compliment or praise you received for the series?

The greatest compliment or praise I have received and continue to receive is when people tell me: "How much I have laughed and had fun with the Torpedo." And even more so when they add: "I have read and reread it more than once."

INTERVIEW WITH EDUARDO RISSO

How does it feel to be commissioned to continue a classic story like *Torpedo*?

A beautiful new challenge... that was the feeling. As an artist, I like to immerse myself in new challenges and *Torpedo* was a character that had an impact on me from the time I read the series.

Without spoiling too much, is there a scene that was the most enjoyable to draw? Or any character in particular?

For a particular scene, there was the moment where Torpedo makes his first appearance in a park. It is a moment that marks the series for what it is. My favorite character was and is Rascal.

What was involved in creating new, aged looks for the characters who featured in the original series? Did the overall look of the book take any hints from the original artists (Jordi Bernet, Alex Toth)? Since the title is set in the early 70s, were there any interesting research tidbits needed or incorporated into your work?

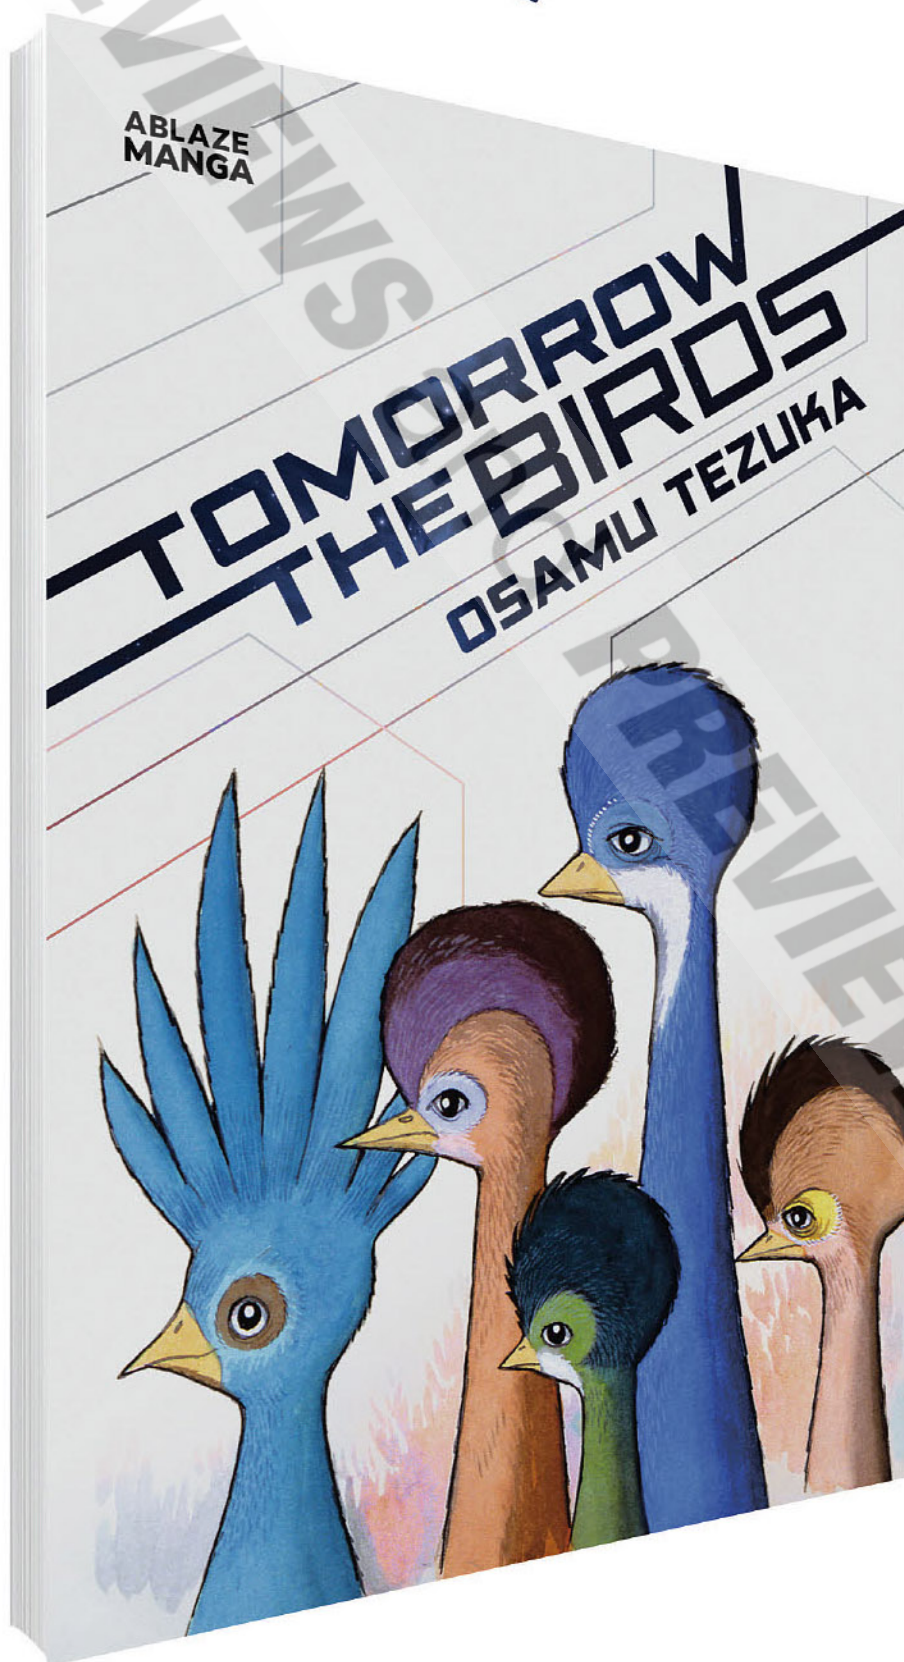

There is no way to ignore what was done, especially by Bernet, to continue a character that had already been established to readers.

It does take research to set a story in the period that needs to be shown. I hope I have achieved it, all the way down to the color palette chosen.

Classic science fiction from Osamu Tezuka, the Godfather of Manga, now in English! Originally published between 1971 and 1975, this tapestry of seven-page short stories and novellas depicts an Earth where birds become the dominant class.

A fatal fire in the countryside escalates into incineration of cities by swarms of pyromaniac magpies. An avian leader with psychic power demands a brutal reduction in the human population. Homo sapiens descends into a subservient role but manages to land some counterpunches. The birds' quest for equality is derailed by conflict between carnivorous species and those that eat insects.

Brash and outspoken, Katchoo makes no secret of her love for Francine but that's not an option for the shy, insecure woman who looks for Prince Charming in a series of bad boyfriends. Enter David, a gentle but persistent artist who seems determined to win Katchoo's heart. The resulting triangle is a touching comedy of romantic errors that takes the trio down a complicated road of murder, mayhem, and love featuring an array of characters including crime bosses, psychopaths, and well-meaning friends. *Strangers In Paradise* is a funny, yet complicated multi-genre graphic novel that is sure to satisfy many tastes. **FULL OF MYSELF: A
GRAPHIC MEMOIR
ABOUT BODY IMAGE SC**

(W/A) Siobhan Gallagher

"I'm proud of the person I've become because I fought to become her." At the age of 30, Siobhán Gallagher looks back on her teenage self: struggling with anxiety and diet culture, desperate to become a beautiful, savvy, and slim adult. As an actual adult, she realizes she hasn't turned out the way she'd imagined, but through the hard work of self-reflection—cut with plenty of humor—Gallagher brings readers along on her journey to self-acceptance and self-love. *Full of Myself* is a highly relatable story of the awkward, imperfect, and hilariously honest teenage best friend readers will wish they had had—and the awkward, imperfect, and hilariously honest woman she becomes. HARU VOLUME 1: SPRING GN

(W/A/CA) Joe Latham

Haru, a small bird who dreams of flying, and their best friend Yama, a talkative boar, are used to being in the shadows. But when Yama finds a strange artifact that causes sinister effects, the two are swept into an epic journey to destroy the artifact and save the world. In *The Valley*, best friends Haru and Yama both dream of leaving as they're bullied at school, frustrated at home, and struggling to figure out who they are. One day, a powerful artifact connects itself to Yama, and they discover that they'll have to journey to The Beacon in search of answers. Created by artist Joe Latham, this beautifully illustrated graphic novel series is a coming-of-age tale that spans the changing of seasons. (STL303521) (C: 0-I-0)

THE INNKEEPER CHRONICLES: CLEAN SWEEP GN

(W) Ilona Andrews, ChrossXxRodes

(A/CA) Shinju Ageha

On the outside, Dina Demille is the epitome of normal. She runs a quaint Victorian bed and breakfast in a small Texas town, owns a Shih Tzu named Beast, and is a perfect neighbor. Her biggest problem should be what to serve her guests for breakfast. But Dina is... different: Her broom is a deadly weapon, and her inn is magic. Meant to be a lodging for otherworldly visitors, the only permanent guest is a retired Galactic aristocrat who can't leave the grounds because she's responsible for the deaths of millions and someone might shoot her on sight. And now, something with wicked claws and deepwater teeth has begun to hunt at night. Before long, Dina has to juggle dealing with the annoyingly attractive ex-military new neighbor, Sean Evans—an alpha-strain werewolf—and the equally arresting cosmic vampire soldier, Arland, while trying to keep her inn and its guests safe. But the enemy she's facing is unlike anything she's ever encountered before, and putting herself between this creature and her neighbors might just cost her everything. (STL304373) (C: 0-I-0)

OUT OF LEFT FIELD GN

(W/A) Jonah Newman

Ninth-grader Jonah is not a jock. On the contrary, he loves history class and nerdy movies, and his athletic ineptitude verges on tragic. So, what's he doing signing up for the baseball team? Could it have something to do with the cute shortstop, Elliot? For the rest of high school, Jonah faces challenges on and off the baseball field, from heteronormative social pressure to thrilling romance. Realizing who his real friends are, he figures out what really matters and finally recognizes and embraces his gay identity. Based on debut author-illustrator Jonah Newman's coming-of-age experiences, *Out of Left Field* is a big-hearted and funny YA graphic novel about learning to be yourself. (STL303523) (C: 0-I-0)

The Blood Brothers Mother #1

BY BRIAN AZZARELLO AND EDUARDO RISSO

NEW SERIES DEBUT FROM THE TEAM BEHIND *100 BULLETS*!

In the old West, three children set off across the wild Texas frontier to rescue their mother—kidnapped by ruthless outlaws who gunned down their preacher father. Throughout their journey, they'll face the harsh elements of an unforgiving landscape, deadly animals hungry for blood, merciless bounty hunters and so much more...all in a relentless quest to rescue their family.

They'll learn the terrible cost of revenge—not just in lives, but in how it stains a soul. While revenge may be satisfying in the moment, it leaves a yearning behind that lasts a lifetime. And once you taste it, nothing else is ever so sweet.

In the tradition of *The Searchers* and *Blood Meridian* comes a brutal new western series from the Eisner award-winning team behind *100 BULLETS* and *MOONSHINE*!

IMMIGRANTS, WARRIORS, HEROES: BACK IN A NEW FORMAT!

INTERTWINED: THE SPIRITS OF WUXING SAGA TP

(W): FABRICE SAPOLSKY, GREG ANDERSON ELYSÉE, RAMON GIL
(A): FRED PHAM CHUONG, FEI CHEN, HO SENG HUI, DOMENICO CARBONE
(CVR): FRED PHAM CHUONG

The beloved Kung-Fu Noir series makes a triumphant return with a new, compact-sized monster edition that concludes the epic SPIRITS OF WUXING Saga.

In the vast tapestry of Chinese Cosmology, the universe harmonizes through five elemental forces: Fire, Water, Earth, Wood, and Metal. At the dawn of Time, these Elements chose their champions—the Spirits of WuXing. For centuries, these ethereal guardians defended the planet and maintained the delicate balance of the elements. However, in 1972, in the heart of New York 's Chinatown, tragedy struck as one Spirit betrayed its kin, unleashing a chain of events that disrupted the cosmic equilibrium. Reluctant heroes emerged, destinies entwined, and the fate of the universe hung in the balance, spanning continents from Kaifeng, China, to Hong Kong, Haiti, and Jamaica—all converging on the tumultuous streets of New York.

THE ATLAS COMICS LIBRARY NO. 2: VENUS VOL. 2

By Bill Everett; Dr. Michael J. Vassallo, series editor

\$49.99 / HC / 280 pgs / FC / 8.75" x 11.25"

In the late 1940s, the first half of the *Venus* series was published as a lighthearted romance comic about the goddess Venus taking a job at a beauty magazine. Soon, science fiction elements were introduced and eventually Venus' dating adventures turned into straight-out horror. Collected here the first time ever is that swift-changing second half of the 19-issue run. Future Marvel stars Bill Everett and Werner Roth seize the opportunity, creating twenty ghoulish masterpieces, including classics like "Hangman's House," "The Day Venus Vanished," "The House of Terror," "The Sealed Spectors," "Tidal Wave of Terror," and the phantasmagorical "Cartoonist's Calamity!"

LOVE AND ROCKETS: THE SKETCHBOOKS

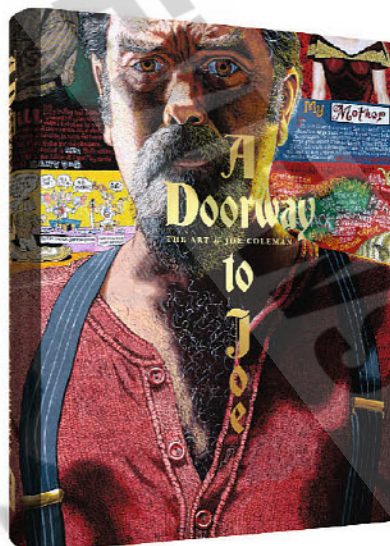

By Gilbert Hernandez and Jaime Hernandez

\$75.00 / HC / 300 pgs / BW with color / 9.75" x 13"

In 1989 and 1992, Fantagraphics published two volumes of nascent or private drawings by the Brothers Hernandez that never made it into the pages of *Love and Rockets*. Presented as a handsome dual-sided book with two covers, this 300-page collection gathers the work from those two earlier volumes,

along with other rarely seen artwork, for a new generation of admirers. Gilbert and Jaime Hernandez's mastery of comics is seen on every page of the thousands of pages of *Love and Rockets* they've drawn over the last 40 years. Here, for the first time in three decades, see the work they put into becoming those artists.

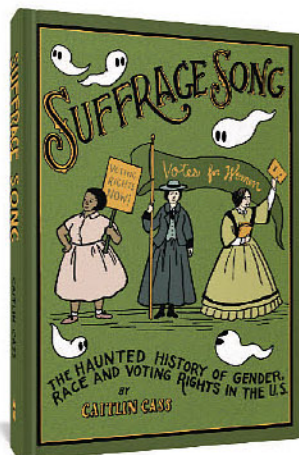

A DOORWAY TO JOE: THE ART OF JOE COLEMAN

Foreword by Mike McGee;
Introduction by Tom Waits

\$99.99 / HC / 450 pgs / FC / 12" x 9.7"

A complete monograph of Joe Coleman's portraits of sinners, saints, freaks, and personal friends that collectively present a dark history of America. Coleman's portraits not only capture his subject's likeness, but also serve as ambitious narratives of the subject's life. *A Doorway to Joe* collects 150 paintings along with essays about Coleman's fine art, comics art, music career, performance art, and the artist's "Odditorium" of sideshow objects, wax figures, crime artifacts and works of religious devotion. All this plus an introduction by musician Tom Waits, and essays by art critics, curators, and impresarios.

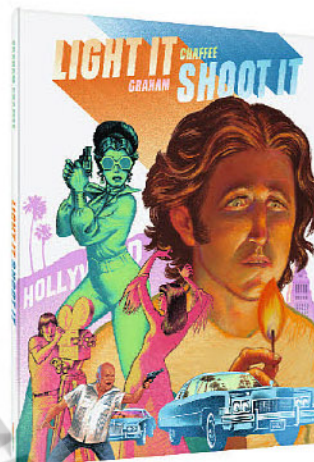

SUFFRAGE SONG: THE HAUNTED HISTORY OF GENDER, RACE AND VOTING RIGHTS IN THE U.S.

By Caitlin Cass

\$34.99 / HC / 264 pgs / FC / 8" x 10"

New Yorker cartoonist Caitlin Cass pens a sweeping history of women's suffrage in the U.S., taking a critical approach to the movement's history by celebrating the pivotal, hard-fought battles for voting rights while also laying bare the racist compromises suffrage leaders made along the way. Impeccably researched and rendered in an engaging and accessible comics style, *Suffrage Song* is sure to spark discussion on the vital issue of voting rights that continues to resonate today.

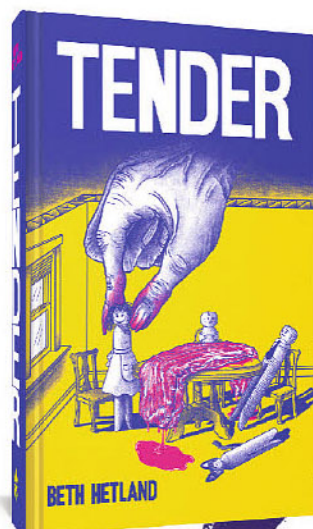

LIGHT IT, SHOOT IT!

By Graham Chaffee

\$24.99 / SC / 208 pgs / BW / 7.8" x 10.2"

Graham Chaffee's first graphic novel in seven years is a classic tale of Hollywood noir where an ex-jailbird finds himself drifting through the world of cut-rate moviemaking, eventually landing a job as handler to a has-been actor. Featuring washed-up stars, low-rent producers, starlets on the make, slick hustlers, and violent fixers, Chaffee brings vintage LA to the page in a propulsive adventure.

TENDER

By Beth Hetland

\$19.99 / HC / 162 pgs / FC / 6" x 9"

A psychological thriller about a woman obsessed with her vision for a picture-perfect, curated life. Beth Hetland's graphic novel debut is a brilliant psychological thriller that tears down the wall of a genre—body horror—so often identified with male creators. Heady and visceral, *Tender* uses horrific tropes to confront women's societal expectations of self-sacrifice despite those traditional roles often coming at the expense of female sexuality and empowerment.

THIMBLE THEATRE & THE PRE-POPEYE COMICS OF E.C. SEGAR: REVISED AND EXPANDED

Edited by Peter Maresca,
Introduction by Paul C. Turney with
essays by Michael Tisserand and
Jeet Heer

\$100.00 / HC / 152 pgs / FC / 13" x 16.5"

More than a decade before he created Popeye, E.C. Segar began drawing cartoons for silent movie slides, the Charlie Chaplin comic strip, and a daily strip about movies. Then, in 1919, he penned *Thimble Theatre*, where Popeye was to be born a decade later. Newly revised and expanded, this volume includes examples of all of Segar's early comics, with over 100 pre-Popeye Sunday pages and a 1920s-style comics insert featuring *Charlie Chaplin's Comic Capers* and *Popeye's "The Jeep."* Plus in-depth commentary on the life and work of E. C. Segar by historians Paul C. Turney, Jeet Heer and Michael Tisserand.

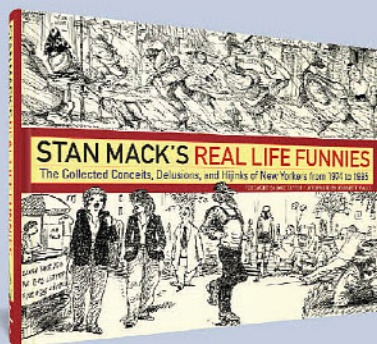

WALT DISNEY'S UNCLE SCROOGE: WORLD WIDE WITCH: DISNEY MASTERS VOL. 24

By Daniel Branca with Geoffrey Blum, John Lustig, and Kari Kohonen

\$34.99 / HC / 204 pgs / FC / 7.8" x 10.5"

Uncle Scrooge battles Magica De Spell and Flintheart Glomgold on treasure hunts and in cyberspace — in this pulse-pounding collection by fan-favorite Argentine artist Daniel Branca! In the title story, Magica De Spell is turning social media to her advantage: getting online and arranging a full-scale sorceresses' convention at Scrooge McDuck's money bin with herself disguised as chief "good witch"! Then Scrooge and his raging rival, Flintheart Glomgold, travel through time in "The Quest for the Curious Constable" ... Donald films crazy cat food commercials in "Feline Fellini" ... and Huey, Dewey, and Louie face dangerous duck-eating plants in "The Green Attack!"

STAN MACK'S REAL LIFE FUNNIES

By Stan Mack, foreword by
Jake Tapper and afterword by
Jeannette Walls

\$50.00 / HC / 336 pgs / BW / 12" x 9"

Sketchbook in hand, Stan Mack haunted the New York City environs, watching, listening, overhearing, and interviewing its inhabitants.

He drew a comic strip every week based on what he saw and heard, famously using verbatim dialogue for his graphic dramatizations. A mixture of humor, spontaneity, serendipity, and weirdness, Mack's comic strip snapshots caught New Yorkers — whether it is an extortionist calligrapher, a baby evading arrest at her first protest, a stroll up Broadway with a ferret, an evening with a male liberationist, or an unlucky-in-love dolphin trainer — being who they are in all their unguarded and uninhibited glory.

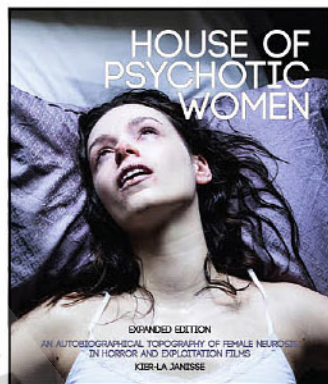

HOUSE OF PSYCHOTIC WOMEN EXPANDED EDITION SC

(W) Kier-La Janisse

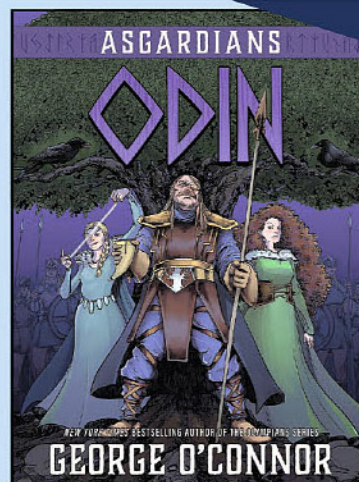

House of Psychotic Women has attained canonical status, having ushered in a new way of writing about film. Kier-La Janisse's acclaimed book is an autobiographical exploration of female neurosis in horror and exploitation films that examines hundreds of films through a daringly personal lens. In this pioneering work, anecdotes and memories interweave with film history, criticism, trivia and confrontational imagery to create a reflective personal history and a consideration of female madness, both onscreen and off. Following the extraordinary success of its 10th anniversary expanded hardcover re-issue, which features new reviews of 100 more films—many of which were inspired in part by the book itself—and hundreds of new images, FAB Press have now published an affordable paperback edition. HARRY MATETSKY COLLECTION GOES BIG AT HAKE'S

Hake's Auctions Auction #239, November 14-15, 2023, offered many rare and desirable items from the Harry Matetsky Collection. A lifelong collector, Matetsky became interested in character toys, premiums, and comics when he was a child, and kept that passion throughout his life. The author of the 1988 book *The Adventures of Superman Collecting* passed away in October.

The incredibly rare Captain Marvel play cape from the Harry Matetsky collection nearly tripled its \$10,000 estimate to sell for \$28,556. During his heyday, Captain Marvel was a very popular character with many pieces of merchandise and premiums made for comic readers. However, a Captain Marvel costume playsuit was never produced – making the play cape the only costume style piece. It is one of the – if not the rarest – piece of vintage Captain Marvel merchandise.

The *Captain America Comics* #10 framed cover recreation original art by Joe Simon showing Captain America rescuing Bucky reached \$7,528. Simon co-created Captain

America with Jack Kirby, and the pair were the team that produced this original cover in 1942. The detailed art is signed by Simon and is housed in a large, impressive frame.

A rare high-grade example of the “Supermen of America – Member” first Superman ring and 1940 contest prize brought \$7,009. The ring was one of 2,000 prizes given to children who wrote the best letters about what they would do if they had Superman's powers and sent it into *Action Comics*. The ring shows Superman breaking a chain with “Supermen of America – Member” text surrounding the image.

The Superman Fleischer Studios cartoon storyboard original art for *The Mad Scientist* nabbed \$6,295. The 13” x 16” sheet of animation paper with graphite art shows Superman punching a death ray. It was used as a rendering guide and storyboard for the 1941 Superman cartoon, which was the first of nine shorts produced by Fleischer Studios for Paramount Studios. Production art from those shorts rarely comes up for sale, let alone a great Superman action image from his very first cartoon.

In all, the auction realized \$2.4 million in sales.

RUTH ASAWA: AN ARTIST TAKES SHAPE GN

(W/A) Sam Nakahira

This graphic biography by Sam Nakahira, developed in consultation with Asawa's younger daughter, Addie Lanier, chronicles the genesis of Asawa as an artist—from the horror of Pearl Harbor to her transformative education at Black Mountain College to building her life in San Francisco, where she would further develop and refine her groundbreaking sculpture. Asawa never sought fame, preferring to work on her own terms: for her, art and life were one. Using lively illustrations and a dozen photographs of Asawa's artwork, *Ruth Asawa: An Artist Takes Shape* is a graphic retelling of her young adult years and demonstrates the transformative power of making art. ing convictions, rebellion, and personal growth. Tohar

recounts her experience as the youngest of seven children in a conservative Jewish family, navigating a life buffeted by high expectations for school performance and religious adherence at home and tense conflict in the world outside. She relates what it's like to be on a journey that ultimately takes her

far from how she was taught to think and what she was expected to believe. A coming-of-age graphic memoir set in the West Bank, *Good Girls Go to Hell* depicts the reality of growing up in a region split by religious tensions—and sometimes violent conflict. (STL281930)

In *I Don't Want to Be a Mom*, Irene Olmo recounts her coming-of-age transformation from assuming she will one day start a family to realizing that she just doesn't want to be a mom. With an affecting mix of humor and introspection, she describes the subtle and not-so-subtle ways she was pressured to have children and the feelings of isolation and self-doubt that ensued. Her delightful full-color illustrations capture perfectly the maddeningly narrow-minded reactions of those around her as well as her own discomfort and frustration. (STL281931)

MUTANT CATS VOLUME 1 GN

(W) Matthew Medney, Morgan Rosenblum (A/CA) Alex Arizmendi
Mutant Labs is your typical science lab. They do work on rockets, gene splicing, finding cures, and you know... interdimensional energy type stuff. The company is currently working on their potentially biggest breakthrough yet: a renewable energy device strong enough to power an entire city block, but small enough to fit into the palm of your paw: about the size of a ball of yarn, and comprised of a powerful synthetic thread that draws power from alternate planes of existence. It's complicated, but it works, trust us. So what's this great innovation called? Mutant Labs are currently calling it: The Cluster. But with all great inventions, hubris is always a problem. The Mutant Labs higher-ups want the Cluster ready for market yesterday, forcing project leader Flux and his team of idiot geniuses to scramble and cut some corners to get it working in time for the big event. But taking shortcuts can be dangerous when you're working with that interdimensional energy type stuff. With realities overlapping, we've now entered the Mutantverse. THE SATANIC SCREEN UPDATED EDITION SC

(W) Nikolas Schreck (A) Various

Satan has figured in film since the very birth of cinema. *The Satanic Screen* documents all of Satan's cinematic incarnations, covering not only the horror genre but also a whole range of sub-genres including hardcore porn, mondo and underground film. Heavily illustrated with rare still photographs, posters and arcana, the book investigates the perennial symbiotic interplay between Satanic cinema and leading occultists. Revised and updated since its first acclaimed publication in 2001, Schreck's study of the diabolical in film has since become a widely referenced standard work on the subject, enriched by Schreck's own personal engagement with magic and spiritual practice,

providing cineastes and sorcerers alike a veritable Encyclopedia Satanica of one of the oldest and most culturally profound genres in motion picture history. (STL305042) (C: 0-1-1)

Eliot Quigly is sure of one thing and one thing only: He is sitting on the greatest superhero comic idea of all time. Combine radioactive onion rings with a run-of-the-mill kid and you get the Mighty Onion, a crime-fighting superhero who gains extraordinary powers whenever he eats onions. It's genius! Eliot can't wait to get his brilliant idea out into the world, but there's only one problem: he's terrible at drawing. Eliot is about to throw in the towel when he licks upon the perfect illustrator—classmate Pamela Jones, who begrudgingly agrees to help. With his ambition and her artistic talent, there's no stopping this dynamic comic-creating duo. But partnership is a tricky road, and creative differences arise quickly. Will Eliot and Pam stick together long enough to make this vision a reality? (STL304501) (C: 0-1-2)

SIX PACK IN SEARCH OF WRESTLEMANIA HC

(W) Brad Balukjian

They say to never meet your heroes. Brad Balukjian doesn't listen. In 2005, Brad Balukjian left his position as a magazine fact-checker to pursue a dream job: partner with his childhood hero, The Iron Sheik (whose real name was Khosrow Vaziri), to write his biography. Things quickly went south, culminating in the Sheik threatening Balukjian's life. Seventeen years later, Balukjian returns to the road in search of not only a reunion with the Sheik, but something much bigger: truth in a world built on illusion. Balukjian seeks out six of the Sheik's contemporaries, fellow witnesses to the World Wrestling Federation's (WWF) explosion in the mid-'80s, to unearth their true identities. From working out with Tony Atlas (Tony White) to visiting Hulk Hogan's (Terry Bollea) karaoke bar, we see where these men are now and how they have navigated the cliffs of fame. What makes *The Six Pack* so compelling is the humanity beneath each wrestler. They were real people, with families and feelings and bodies that could break. (STL304491) (C: 0-1-0)

JOURNEY BEYOND SPACE, TIME, AND IMAGINATION!

AN INTERVIEW WITH TIM DANIEL, "DB" ANDRY, AND MARCO FINNEGAN

Beneath the supernatural, reality-bending tale of *Morning Star*, what's at the very core of the series?

- **Daniel:** We had a desire to tell a story about the role and importance of a father in a family, and what happens to that family when the father's sudden absence creates a vacuum.
- **Finnegan:** It's really about a grieving family that's trying to stay together despite their world falling apart around them.

Sounds like this story takes on difficult real-life situations with a lot of heart! Are you drawing from personal connections to tell this tale?

- **Daniel:** Absolutely. The idea of not being here for my daughters – naturally, that would be my greatest fear in life. Both of the child characters in *Morning Star* show resilience and resourcefulness, and my hope is that, if my daughters were to lose me, they would be able to exhibit those same traits.

- **Finnegan:** The kids in the story are inspired by my own son and daughter, in spirit if not in actual likeness.
- **Andry:** I try to put some of myself into every character I write. This is a family dealing with loss, each in their own way. I tried to look inward, to see how I've dealt with things in my past to color each of the characters in *Morning Star*.

What can you tell us about the look and feel of this story?

- **Daniel:** Expect a period piece that opens as a haunting/ghost story and closes as something entirely different. It's somewhere along the lines of *Poltergeist*, *E.T.*, and *Close Encounters*, and yet there's nothing else like it on the shelves.
- **Andry:** The art and coloring style capture the feel of comics made during the time period that the story is set. The art style is classic and the coloring is slightly offset, so it looks like it was sent through a printing press that occasionally misses the mark. Totally authentic and unique!

THE FUTURE IS FUNGAL!

AN INTERVIEW WITH WRITER/ARTIST OLIVER BLY

We've heard *The Mushroom Knight* is a fantasy story that takes place in our reality, as opposed to an ancient world or far-off galaxy. Can you tell us more about the setting of the book?

The Mushroom Knight is set in The Wissahickon, a preserved area of woodland in Northwest Philadelphia that is so incredibly immersive, you may, at times, forget the grit of the city is just a step away. During the conceptualization of the book I took long walks there daily and let some of its magic take personified form in my imagination. While I was doing this groundwork I noticed some neighborhood children began leaving little "faerie houses" around the walking trails. Someone would leave the house, and others would leave pieces of precious bric-a-brac, dollhouse furniture, etc., until the groundskeepers who manage the land would discard the "trash". Or, come to think of it, perhaps the miniature inhabitants had their fill of gifts, and made their domiciles invisible to us once more.

Who are our main characters, the Mushroom Knight and Lem, and what motivates them?

Gowlitrot, the Mushroom Knight, is a curious and prim little faerie creature that values reason, kindness, and balance. Most of all, he values life, and is sworn to protect the ecology of life.

Along with his companion Lem, he will embark on a path that will unearth perilous challenges to himself and to the foundation of our collective realities.

Lemuelle "Lem" Clemmons is a shy human girl searching for her missing dog, and Gowlitrot meets her during his adventures. She often feels endangered, and hides important pieces of herself as a result. She gravitates to people that she can feel comfortable with over those who she may have more in common with. There is something curious about her that allows her to tap into the invisible world of sprites and gnomes hidden in The Wissahickon.

What kind of audience do you foresee enjoying the delights and wonders of *The Mushroom Knight*?

This is a whimsical yet eerie, simple yet spiritual story—something (hopefully) wise dressed up in cartoon clothing. Similarly, I see it resonating with fans who enjoy fantasies that have something interesting moving under the surface tropes—things like *The Sandman*, *Fables*, and *Neon Genesis Evangelion*. I also think readers interested in mycology, environmental justice, nature, psychology, and esotericism would find this story winking to them as well.

YOUNG ADULT

SUMMERTIME FRIENDS VS. TREASURE THIEVES!

AN INTERVIEW WITH STEVE ORLANDO AND KATIA VECCHIO

What motivated you to embark on the journey of creating *Silver Vessels*?

- **Orlando:** After the success of developing *Exorcists Never Die* with Mad Cave, we wanted to challenge ourselves with a pivot to Young Adult, and see if we could apply our shared imaginations to a completely new genre and medium. What does adolescence look like today? What do families look like? And even more so – what is the real point of hunting treasure in today's world? I connected with that feeling of teenage life, the unique time where one is on the cusp of discovering so much about oneself and the world, but also thinks they've already got it all figured out. There are aspects of me in every character of *Silver Vessels*, even the antagonists!
- **Vecchio:** *Silver Vessels* and its characters brought back memories from my childhood when my family and I used to spend summers in the countryside. Together with my siblings and the neighborhood kids we would often search for abandoned houses. We felt like little explorers, just like our heroes, Josh, Hope, and Hunter.

What's the real treasure in *Silver Vessels* that you hope readers take with them after reading it?

- **Orlando:** I want our readers to feel hope, joy, fear, introspection, compassion, and pride. The key here is to celebrate the time in between youth and adulthood. Teenage life is always a quest for treasure, it's just that the treasure's different for everyone!
- **Vecchio:** I hope readers feel the friendship, loyalty, and self-love that radiates from our protagonists, and that this story can promote a world where diversity is cherished and the beauty of nature is safeguarded.

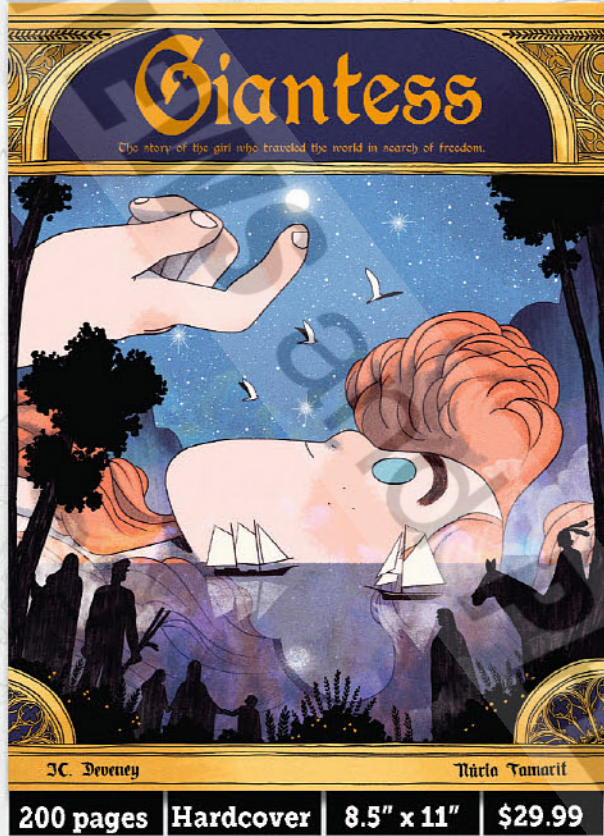

Who's most likely to join the treasure hunt in *Silver Vessels*?

- **Orlando:** Readers who enjoy stories like *Lumberjanes*, *Beast Boy Loves Raven*, and *Percy Jackson*!
- **Vecchio:** Fans of comic books like *This One Summer* and movies like *The Goonies* and *Stand By Me* will appreciate *Silver Vessels*!

MG This book is intended for middle-grade readers aged 8-14 or above. It may contain scenes of light intensity.

Lila lives with her father on a snowy island. From a young age, he has protected her from a curse and a demon, but one day when he is away for a longer time than usual, Lila imagines him in danger and goes looking for him. Outside, she discovers a forest asleep under the snow, populated by enigmatic spirits and a white wolf.

Inspired by classic Japanese fairy tales, **BETWEEN SNOW AND WOLF** is a tale for young girls who seem to grow up too fast (in the eyes of their parents). Braving the world and facing your fears are lessons that never grow old. Mixing humor and drama in a lushly illustrated presentation, this book embraces the influence of Hayao Miyazaki, not just in its "kawaii" cute character design, but in the magical settings the character finds herself in.

Written by **AGNES DOMERGUE**, a professional musician well known for her published volumes of haiku, and illustrated by **HELEN CANAC**, this book has the lyrical qualities of a poem.

FEEDING GHOSTS: A GRAPHIC MEMOIR HC

(W/A) Tessa Hulls

In her evocative, genre-defying graphic memoir, Tessa Hulls tells the story of three generations of women in her family: her Chinese grandmother, Sun Yi; her mother, Rose; and herself. Sun Yi was a Shanghai journalist caught in the political crosshairs of the 1949 Communist victory. After years of government harassment, she fled to Hong Kong with her daughter, Rose. Rose eventually came to the United States on a scholarship and brought Sun Yi to live with her. Tessa watched her mother care for Sun Yi, both of them struggling under the weight of Sun Yi's unexamined trauma and mental illness. Vowing to escape her mother's smothering fear, Tessa left home, traveling to the farthest corners of the globe. At age thirty, it started to feel less like freedom and more like running away, so Tessa returned home to face the history that shaped her family. By turns fascinating and heartbreaking, inventive and poignant, *Feeding Ghosts* exposes the fear and trauma that haunt generations, and the love that holds them together. (W) Marwan Kahil (A) Ariel Vittori
One of the greatest artists of all time, as well as a genius inventor, Leonardo Da Vinci was arrestingly tall and handsome. This comics biography shows the process of his work and his inventions, his persecution as a gay man, and how the changing politics of his country and ebbs and flows of those in power affected him and his career. A turbulent story on an exceptional man. Complemented with back matter on his chronology, a list of his works, and more. (STL158715)

Bass player and pianist, composer and band leader, Charles Mingus is universally recognized as one of the greatest musicians in the history of jazz who experienced the last fires of the swing age, the Be Bop revolution, the experimental seasons of Third Stream and Jazz Poetry up to Free Jazz. MASTERS OF THE NEFARIOUS: MOLLUSK RAMPAGE GN

(W/A) Pierre La Police
A tsunami slams into the Maluku islands. Giant mollusks wreak havoc. An ominous, quadrilateral UFO appears in the night sky. And a mysterious villain watches and waits in the shadows... Twin paranormal investigators, Félicien and Chris, and their best friend, Fongor, are on the case, delving into this unduly complicated and possibly nefarious plot. They're the only ones who can unravel the mystery, but they might not—especially if they can't stay on task. Between journeys to Uganda, primordial Earth, and the pants store, and confrontations with ghosts frozen in ice cubes, baby turtles, and an army of small, sinister men, the trio will be tested like never before as they search for clues, answers, and a good all-you-can-eat buffet spot. From literary icon Barry Gifford—internationally renowned creator of *Wild At Heart* and cowriter of David Lynch's neo-noir masterpiece *Lost Highway*—*Night People* is a pulsating roadmap of the American subconscious, where neon-lit Southern nights give way to lipstick, sweat, and blood, and the odd, innocent, and evil are all fellow travelers down an interstate of dark, elusive dreams.

Adapted from Gifford's acclaimed novel by breakout writer Chris Condon (*That Texas Blood*, *The Enfield Gang Massacre*) and a rotating cast of stunning artistic talents, follow an uneasy company of wanted criminals, cartel killers, and lost souls through four interlocking tales as they travel a path of intoxication, lust, and spontaneous violence from New Orleans to Egypt City, Florida, and back again.

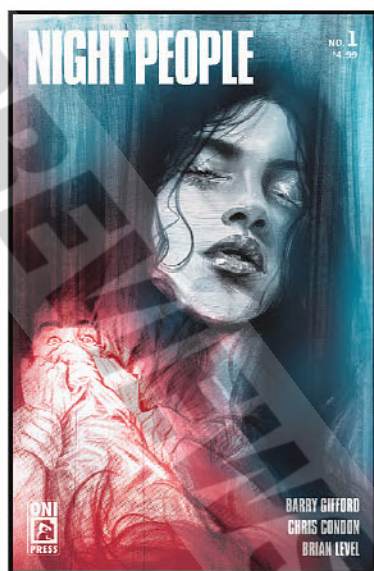

In our first tale of desperation, fanaticism, and murder, drawn by Brian Level (*Poison Ivy*), two ex-convicts—a pair of inseparable lovers named Big Betty Stalcup and Miss Cutie Early—are out on parole using their newfound freedom to purify the world of men's evil influence.

IT'S ALWAYS MIDNIGHT FOR NIGHT PEOPLE | AN INTERVIEW WITH WRITER CHRIS CONDON

ONI PRESS: With *That Texas Blood* and *The Enfield Gang Massacre*, you've carved out a path as one of the best writers of character-driven, blood-stained noir in recent memory. What made you want to take up *Night People* as your next project?

CHRIS CONDON: I like to challenge myself with every new project. With *Enfield*, Jacob and I tried to do something new with how we were telling a story: three panels and splash pages almost exclusively. With *Night People*, I was bringing someone else's story to a new medium, which was something I had never done before and presented an interesting challenge. But this wasn't just anybody's work, it was Barry Gifford. So to find a way to do this that remained faithful to Barry's original story while differentiating it was a thrilling prospect. It's been great—though dark—fun.

ONI PRESS: This series also sees you working in close collaboration with novelist and screenwriter Barry Gifford, who's beloved for novels like *Wild at Heart* (adapted for film by David Lynch) and one of the seminal statements on modern noir, *Lost Highway*, which he also cowrote with Lynch. How has the exercise of adapting Gifford's novel differed from your standard process?

CHRIS CONDON: It's been a completely new and unique experience. I read Barry's *Night People* several times, took copious notes, and wrote

a very detailed outline before I ever even got to a script. I'm not much of an outliner on my own projects. However, with *Night People*, it helped me tremendously to keep track of where I was and how faithful I was to the source material. That was a big thing for me on this project, staying faithful to the original text. I think Barry wrote a hell of a great book, and it would do a disservice to Barry and our readers to stray too far from it.

ONI PRESS: With this series, each issue is a stand-alone—but subtly interconnected—tale, each drawn by a different artist: Brian Level (*Lazarus*), Alexandre Tefenkgi (*The Good Asian*), Artyom Topilin (*I Hate This Place*), and Marco Finnegan (*Crossroad Blues*). What do we have to look forward to in future issues?

CHRIS CONDON: Each issue is unique in terms of story, so it makes sense to have each issue have a different, unique artistic approach. I'm so thrilled to see the artistic powerhouses Oni Press has brought onboard to tackle this adaptation with me. The way Barry's book works is that you never know what turns it will take or what characters you'll be following in any particular chapter. We've utilized that approach in this adaptation, and I think we're crafting something that should be exciting for readers and will have them coming back issue after issue to see where this wild story is going to go next.

Could one girl be the key to uniting a world split by an ages-old prophecy spurred by Brother Havoc and Sister Fortune?

A thousand years ago, a mighty battle pitched two of the greatest sorcerers against each other, Brother Havoc and Sister Fortune. In the end Brother Havoc won, shattering his rival into a thousand shards.

Now, a millennia later, teenager Carrie Taylor not only learns that she is one of these shards, but that each shard created an alternate universe, with multiple versions of her out there—and a great evil is bent on destroying them all.

Carrie must team with a handful of “alternate” Carries from across the universes to fulfill a prophecy that will bring Sister Fortune back from limbo to defeat this evil, but the more Carrie travels from broken universe to broken universe, she realizes she might not be working for the “good guys”—nor, perhaps, is she one of these shards after all.

If that is indeed the case, then who is she?

Welcome to Hobtown, a charmingly bleak village (Population: 2,006) and an easy place to get bored if you don't make your own fun.

Hobtown Regional High's top girl, Dana Nance, runs the Teen Detective Club—a registered after-school program that makes it their business to investigate each and every one of their town's bizarre occurrences including pagan secret societies, psychic assaults, and possible “wee man” sightings. Their small world of missing pets and shed fires is turned upside down when real-life kid adventurer and globetrotter Sam Finch comes to town and enlists them in their first real case: the search for his missing father. Something strange is going on, and no one in Hobtown will talk about it. It turns out Sam's dad is the sixth man to go missing this year. The rot runs deep in Hobtown, and it's up to the teen detectives and associates to stay alive long enough to crack the Case of the Missing Men!

Childhood friends Kris Bertin and Alexander Forbes have built a truly unique and discrete universe in *Hobtown*—an exploration of small town identity drawing from the world of pulp, filtered through a lens of esoteric spirituality, skewed genre tropes, deft character work, and an incredible eye for detail.

PERFECT FOR FANS OF TWIN PEAKS, BLUE VELVET, AND THE HARDY BOYS MYSTERIES, THE HOBTOWN MYSTERY STORIES TAKE THE TEEN INVESTIGATOR GENRE TO NEW LEVELS AS THEY EXPLORE SMALL-TOWN IDENTITY AND THE SURREAL.

GOLDEN AGE CLASSICS: AMAZING MAN VOLUME 1 HC
 (A) Bill Everett & Various
 Amazing Man was the second superhero after Superman to have a comic book named after him. Historians credit his creation variously to writer-artist Bill Everett and art director Lloyd Jacquet, founder of The Funnies Inc., although some credit may be due to Grace Everett, who helped with research. In 1914, an orphaned child named John Aman was chosen by the Tibetan Council of Seven and trained to be a superman, both in mental and physical perfection. His powers include super strength, invulnerability and the ability to make himself disappear in a cloud of green vapour. When he turned twenty-five, after his final tests, he is sent into the world to combat crime and injustice, returning to America to become the heroic *Amazing Man*. He worked as a vaudeville performer and a cartoonist and reporter for the Portland News. Wolverton was a master in caricaturing the human face and body and his drawings have elicited a wide range of reactions; he even described himself as a "Producer of Preposterous Pictures of Peculiar People who Prowl this Perplexing Planet." Preferring to work with pen and ink, Wolverton's lack of artistic schooling gave his drawings an otherworldly appearance. There was no other artist at the time who drew like him! Harvey Kurtzman felt "Wolverton never borrowed, never hacked, and he never shortchanged the public. Wolverton was an original." CHRISTIANITY AND COMICS: STORIES WE TELL ABOUT HEAVEN AND HELL
 (W) Blair Davis
Christianity and Comics presents an 80-year history of the various ways that the comics industry has drawn from biblical source material. It explores how some publishers specifically targeted Christian audiences with titles like *Catholic Comics*, books featuring heroic versions of Oral Roberts and Billy Graham, and special religious-themed editions of Archie. But it also considers how popular mainstream comics like *Daredevil*, *The Sandman*, *Ghost Rider*, and *Batman* are infused with Christian themes and imagery. Comics scholar Blair Davis pays special attention to how the medium's unique use of panels, word balloons, captions, and serialized storytelling have provided vehicles for telling familiar biblical tales in new ways. O/A I AM THE LAW: HOW JUDGE DREDD PREDICTED OUR FUTURE TP

(W) Michael Molcher (CA) Pye Parr

Judge, jury and executioner, Judge Dredd is the brutal comic book cop policing the chaotic future urban jungle of Mega-City One, created by John Wagner and Carlos Ezquerra and launching in the pages of *2000 AD* in 1977. But what began as a sci-fi action comic quickly evolved into a searing satire on hardline, militarized policing and "law and order" politics, its endless inventiveness and ironic humour acting as a prophetic warning about our world today—and with important lessons for our future. Blending comic book history with contemporary radical theories on policing, *I Am The Law* takes key Dredd stories from the last 45 years and demonstrates how they provide a unique wake up call about our gradual, and not so gradual, slide towards authoritarian policing. EXTRAORDINARY RECORDS HC (MULTILINGUAL EDITION)

This volume spans more than 500 remarkable records and is a journey into vinyl's extraordinary history. From rare and colorful editions, bold shapes, and bootleg x-ray vinyl of the USSR to daring designs that fashioned the identities of era-defining records and artists, this volume celebrates vinyl's artistic potential as a material form. This electrifying vinyl edition creates a new and edgy definition for "album art." Produced in collaboration with *Colors* magazine, it brings together more than 500 remarkable records from the collection of Alessandro Benedetti and Peter Bastine. The discs are arranged thematically to span monochrome vinyl; unusual vinyl (including

silver, gold, or mirror vinyl as well as extremely rare glow-in-the-dark vinyl); multicolored vinyl; etched vinyl (where music is pressed onto only one side); shaped vinyl (cut into forms that are different from the classic round disc); and picture discs (where a photograph or design is stamped onto the surface of the record). NOTHING SPECIAL VOLUME 1: THROUGH THE ELDER WOODS GN

(W/A) Katie Cook

In the grand scheme of the worlds at large, Callie thinks she's nothing special. Sure, she's friends with the ghost of a radish and her dad owns a magical antique shop—but she's spent her life in the human world. Her dad won't let her join him on his collection trips in the magical realm "for her own protection", so she's only caught glimpses of that world through the gates of the town where her father's store is. On her seventeenth birthday, Callie goes home with her friend Declan to find her home in disarray and her dad missing. Signs of a struggle point to the portal to the magical realm and when there are signs, you follow them. Now it's up to Callie, Declan, and Radish to band together and bring him home. As they face creatures good and bad, and all sorts of adventure, Callie and Declan may just find out that they are both special in their own ways after all. JUDESSEY GN

(W/A) Shay Charka
The Holocaust is an event greater than the sum of the survivor testimonies and the stories of its six million victims. It is an event larger than life, and greater than the containment capacity of the human brain. It deserves to be described not only in testimonies and documentation, but in legends. *Judessey* depicts the journey of Leon, a Jewish professor from Poland who finds himself in the midst of World War II, who strives to find his way home while battling the monsters of Europe. An epic tale of a Jewish partisan whose family is taken away by Nazis, this graphic novella shares a new legend about the Holocaust that unpacks generations of trauma. *Judessey* expresses the biggest trauma of our

time in a format of legends based on the Odyssey, which has inspired so many human journeys. (STL278526) (C: 1-1-0) NOTE: Not available in Germany. RES. from PREVIEWS Vol. XXXIII #7 (JUL232113) SC, 8x11, 128pgs, FC.....\$16.00

THE DANCE OF DRAGONS BEGINS WITH DIAMOND SELECT TOYS' HOUSE OF THE DRAGON FIGURES

Set generations before the events of *Game of Thrones* and the battle for the Iron Throne of Westeros, another struggle for the Iron Throne shaped the future of Westeros—the Dance of Dragons, chronicled in George R.R. Equipped with weapon and other accessories, these figures will return you to the incredible world of Westeros and HBO's *House of the Dragon*!

(W) Brian Shutter

MOTTO TANTO CUORE GAME

More *Tanto Cuore* is a new series in the *Tanto Cuore* line. *Tanto Cuore* is a deck building game in which players are masters of a house, and use their small deck of "love" cards to employ cute maids, and gradually expanding their decks. "More *Tanto Cuore*" enhances this with a "worker placement" mechanism. Each round, players choose one each of the available high class maids to get help from. High class maids' assistance is needed to be able to help out with Food, Decorations or Cleaning errands. Once the game ends, players account their Food, Decoration and Cleaning cards. Certain maids are also worth victory points by themselves. The player with the most Victory points has contributed best to the upcoming party, and is declared to be the Most Delightful Master. (STL304677) Item has been previously solicited in *New to Order*. (C: 1-1-2) NOTE: Available only within US and territories.

TANTO CUORE: MOMENTO MORI TWILIGHT MANOR GAME

Tanto Cuore is a Japanese deck-building card game which has a mechanism similar to *Dominion*. Each player plays as the Lord of a mansion and hires maids to fill out their house to become the King of Maids! The end goal is simple enough, the player who has the most Victory Points at the end of the game wins! In this new standalone expansion (can be played on its own or combined with previous *Tanto Cuore* games), the players are in a rush to complete dilapidated rooms in *Twilight Manor*, avoid the ghosts, and perform seances to help with their goals. However, the spirits are not always willing to play along, and they can at times go out of their way to mess up your strategy if they turn evil! *Tanto Cuore* 6 has just opened the door to the supernatural: Are you willing to take a peek inside for this new paranormal adventure? DOG MAN: HOT DOG GAME

Based off of the *Dog Man* illustrated children's books by Dav Pilkey, this fast-paced card grabbing game sees players race to collect the most Hot Dog cards before their opponents. 64 cards (52 Hot Dogs, 6 Dog Man, and 6 Petey cards) are laid out face down spread across the table so that no cards are touching. Players take turns turning over a single card face up. If a Hot Dog card is turned over, nothing happens. If a Petey Card is turned over, all face up Hot Dog cards are turned face down. If a Dog Man card is turned over, players race to collect all face up Hot Dog cards on the table. Players may only use one hand and may only collect one card at a time. If the last card to be turned over is a Hot Dog card, players race to collect all remaining face up Hot Dog cards. Once all cards have been turned over, the player with the most Hot Dog cards is the winner. (STL304441) Item has been previously solicited in *New to Order*.
